

HMC Capital Recognized as Top Placement Agent by Preqin for 5th Consecutive Year

September 26, 2024 – HMC Capital has once again been honored as a Prominent Placement Agent in Private Capital by Preqin, marking the fifth consecutive year of recognition. This recognition spans two categories: Prominent Placement Agent in Private Capital by fund size, funds closed from 2023 through the first half of 2024, and Prominent Placement Agent Servicing Private Capital Funds by Asset Class, specifically in the Private Debt category.

Preqin’s annual "Service Providers in Alternatives" report, a key resource for thousands of investment professionals, highlights the industry's leading firms and trusted partners.

This continued recognition reflects HMC’s dedication to excellence, its in-depth industry knowledge, and the strong relationships it has built with clients.

“This achievement highlights the hard work of our team and our commitment to delivering exceptional investment solutions. We will continue to push boundaries and lead the alternative assets industry.” said Ricardo Morales, Co-founder and Executive Chairman at HMC Capital.

Agnaldo Andrade, Partner and Head of Distribution-Brazil, highlighted the rising demand for alternative investments in the region: “In Brazil, investors are increasingly turning to alternative assets to diversify their portfolios. Preqin’s acknowledgment underscores our ability to provide innovative and resilient investment opportunities that meet this growing appetite in the private capital space”.

About HMC Capital

HMC Capital is a global alternative investment and advisory firm with US\$16.5 billion in assets under management and advisory from institutional and private investors.
